Sign in to multiple Google Accounts

⚠ This is an advanced feature. Review the following information before turning on multiple sign-in.

When multiple sign-in is turned on, you can click the arrow next to your address (at top right) to switch between accounts with these Google products:

Calendar	Google Moderator	Reader
Code	Google+	Sites
Finance	iGoogle	Voice
Gmail	News	

Google Apps accounts: Docs [?]

On - Use multiple Google Accounts in the same web browser.

Select each of the checkboxes below to confirm you understand how to use multiple sign-in:

- The account you're currently using is displayed at the top of most Google product pages, or at the bottom of most pages on mobile devices. Always check to make sure you're using the account you want.
- Not all Google products support multiple sign-in. When switching between Google products, the account you're currently using may change.
- Google products not listed above will default to the first account that you signed in to using your current web browser session.

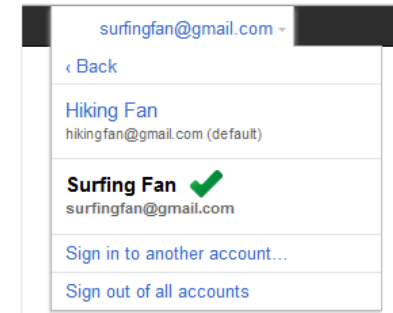

[Learn more](#) about other ways to use multiple accounts with Google products.

Off - Use one Google Account at a time.

You may need to sign out of all accounts for this setting to take effect. |
